This is an optional open improvisation section that can be played from measures 19-34 instead of what's written. Return to the form at measure 35 after improvised solo.

You can hear a jazz version of this with a longer solo on www.michaelstegner.com under "My Music" or any of the major online music streaming services. The album is called "The Fanstastic Adventures of an Amphibian Named Jamal" by the Michael Stegner Trio.
